The Haste to Remove Democratic Officials.

THE INFAMOUS TEST OATH LAW.

The Statehood Quantion, and the Scheme Being Worked What will the Hur-vest he? News Notes.

Boss Crry, May 29. Special Correspondence of The Heneral The circumstances attending the removal of the Democratic officials in Idahe are kiraly disciplibility for the Republicus. Billy Bran, the exceptive preceding Governor Stevenson, was allowed to remain an office after Cleretand's insugmention until he resigned, and even then and even then

NO INDESCRIPT HATTE WAS STREETED. the appointment of a successor, and for in the appointment of a successor, and for many months the outless of sovernor were erformed by Secretary Curlis. Neither misconduct nor offensive partisanship could be laid to ex-Goyenor Stevenson's-rhaye. So for from even just suspinging of the latter was he that last suspinging of the latter has signed the latter has expended in the latter has been allowed the proceduration control of the latter was exactly of July next. The late was scarcely of July next. The late was scarcely of July next. The late was scarcely of your latter has reliable lifeting her his beard. Marshal Baired, than whom no bet ter man exists in Idadu, both in public and private life, and who has been distinguished among the officers of the territory as possessing

AN INTANOUS TAKENG OFF!

We opine real in order to cullist more effectually the Demostrats to the support of this measure. It has been given out upon the streets by no less of a political manner than D. P. B. Peale that the new constitution should enholy no test oath. Who will believe it. Have not Democrats been field to and descrived sufficiently in this separal already. Must they show themselves gill like dipper it very step. For our part, when the lather leaders of the Republican party assure us of a gling relating to politics we shall reproduced it safe for any insuffer of the sentence of

DUR POPULATION IS UNKNOWN

and, irrigation officers must be made and mines opened and developed or it can not increase. The territiry less all the farm hands and measures it can support at present, and it is cruely to get their brief to be preyed upon by the investing of their wages. When the increasing injurerements are made idade is supplied or supporting a pspeciation of 5,000,000, but that time will not come in this generation. When the appropriations of statehood are made to want to come of all the force and effect of law and not through the

MACHINATION OF COURTER POLITICAL DEMA-1.0001.80

and petty county committees. We shall want it to be so that build-bes stuffing can be punished and the same dose dealt out to the manufacturers of faire returns. We shall ask that the constitution be born in the parity of a legal atmosphere, and not by the set of a mab.

Of course, your readers mostly know that the Statesmon has changed hands. Hon, Milton Kelly retiring and a company composed of about a half-tocon problement, some from the cast and some from the west, purchasing the concern. Now that the judge is our of the paper people speak the many coverlout attributes. Though particular the paper is man with many excellent attributes. Though past seventy years of size be is now engaging all stream of the paper in the serventy stars of size be is now engaging all seventy years of size be is now engaging all seventy rears of size be in owe engaging all stone and attention is improving his Great Sulphur Springs property, about the miles from this city.

THERE

Great preparations are being made for the celegration of Decoration day to morrow. It will probably be a big affair.

General Should be a big affair.

General Should be a big affair.

NOTICE TO CONTRACTORS.

Sunday, and see the ascension of the largest balloon, "City of Salt Lake," and Professor Price's new parachute, "Utah." He will try and bent the world's resord.

Oh, Whata Cough.

Will you beed the warning! The signal perhaps of the sure approach of that more terrible disease consumption? Ask rourselves if you can afford for the sake of saving 50 cents, to run the risk and do nothing for it. We know from experience that Shilob's Cure will care your cough. It never fails. This explains why more than a million bottles were sold the past year. It relieves croup and whosping cough at once. Mothers, do not be without it. For lame back, side or chest, as Shilob's Porous Plaster. Sold by A. C. Smith & Co.

Once Hore - Against the Salt Lake & Fort Dooglas.

The rush for inturalization papers in the Third district court reached the climax yesterlay, it would seem, when wenty-cipit affects became circless of the United States. They were as follows: Herbert Seeled represults will be received until noon on the Sist day of May 1889, at my office for the performing of all the work and furnishing all the material, for the construction of a three-story building on Commorphial street. Propositions will be received for the whole of the works no subdivisions let. I reserve the right to re-J. Shemming, Olof Nielsen, Thomas Davis, Sr., Abel Price, Hans P. Hanson, Jemes P. Hanson, John R. Thorn, Aber Patterson, David Smellie, Huakon Aamodi, John S.

received for the whole of the work; no subdivisions let. It reserve the right to repet any and all bids. Wark to begin by the contractor as seen as the contract of the contract of the second of the Oakey Radelph Schneider, John R. Isaac, Jacob Schneider, John A. Backman, George Willmott, John Wassemer, E. G. Brown.

William Glasmann vs. Sait Lake & Fort Douglas Rullway company; by stipulation, judgment in favor of defendant for \$1,500. May A. Estes vs. rrince Esses, decree of divorce on grounds of cruelty and fail ups to support.

AN ECHO OF THE CENTENNIAL.

"Wur Jarge Washington a Married Mon"

"Wur Jarge Washington a Married South
A Question of Propriety.

The Tribune, just before the centennial celebration, published the estimates of a number of noted men and women on the character and services of George Washington, Their views were somewhat widely at too. Their views were somewhat widely at the centennial too. The south of the centennial too. There are two to come off next week,"

ton. Their views were somewhat widely at variance. It is, however, safe to say that none of them resembled to any great extent. The merning of the celebration two servant girls were overheard discussing the day and its teachings in a South Side kitchen. Nors was busily engaged in washing the breakfast distase when Bridget, the girl in the house next door, entered. The conversation, in The Care Eastly Apptied. Max, Jemp., 55.62 inin, temp., 50.5. IN ALL THE COURTS.

A DOUBTING THOMAS.

The Way a Western Man Sat Down on a Whaling Captain.

We had been in New Bedford ten or twelve days and not selected our particular sea captain and listened to half a dozen of his years without be traying the slightest evidence of doubt of any statement, when a stranger from the far west arrived and rather forces to speak to him about it. It was then his were on the back veranda of the hotel, five or six of the and the lold whaler, and the latter had just started in on a story, when the westerner again, his overshoes might have been too heavy. Anybow, when a man went back

know, and you had better designate."

"A right whale, sir."

"Oh! That's all right; go ahead."

"We were lying to and drifting while trying out a fish enplared the day before, and
the wind was from"—

"Was this on Lake Erie or the Atlantic
occan?" put in the stranger.

"On the Atlantic, of course."

"Then I am with you. I didn't know but
you were whaling on the lakes. Better locate
the spot a little closer, however." the spot a little closer, however."
"It was off the coast of Brazil," replied the

captain in an indignant voice.
"That will do, but it is a long coast. Go shead, and never mind which way the wind

blew."
"We were drifting, as I said." continued the captain, as he swallowed a hump in his throat, "when the man at the masthead

A Distinct Decline.

Mrs. B .- The Browning cult has rathe subsided in your city, has it not?

Mrs. L. (from Chicago)—Yes, indeed! Now that we have got on to his curves it is scarcely an expression. an exaggeration to say that Browning is al-ready in the soup.—Life.

The ordent lover had just asked her to be his bride, for she had given him cause to hope, and she had answered simply "Yes, George, if you can get pupa's consent." "I will," he answered, pussionntely, "Where is het He shall give his consent. I would seek the utmost heights of heaven or the darkest depths of hades to get it!" he cried.

cried.

"I gues you'll have to, George," she answered, quiedly: "pa's dead."

And, with an awful realization that all was over, George seat home, and, putting on his little brother's copper toel boots, kickel himself.—Harvard Lampson.

Too Thin.

My son, now and then you will come across a news item in the paper, which begins some thing this way: "During the summer of Is-I was crossing the ocean in the steamer of the -- line, when a young officer, since married to the daughter of a well known married to the daughter of a well known merchant of this city," let. Don't road it. Read a patent medicine advertisement, rather. There will be quite as much information and about 500 times more trath in the ad. than in the nurrative that spells the very things you most want to know in meaning-less blanks and dawhes.—Burdette in Brooklyn Eagle.

Her Mistress Was Out.

A lady on Mount Vernon street told her newly sequired Irish must the other day to say she was not at home in case any one called. One visitor did come, and she is re-sponsible for the story.

"Is Mrs. Blank in!" she said, when the down was gooned in response to her rine.

door was opened in response to her ring.
"No, ma'am," replied Bridget, stonily
"She's not at home, and may God forgive th awful lie I'm tellin' ye."

Whereupon she simmued the door in the visitor's face, and that was the end of it,—Chicago Tribune.
